

THE WENDT SCHOLARSHIP: Applications due by December 1, 2022

This application form is used to evaluate applicants for the Wendt Scholarship. The Wendt Scholarship provides grants to NECA chapters that lack educational trust funds or other training funds adequate for offering a NECA Education program. Decisions are final and are not subject to review. Evaluation criteria include:

- **Financial need.** Please provide 2–3 sentences (not more than 5) describing the chapter’s need for financial assistance.
- **Local chapter participation.** The local chapter must agree to use the grant funds in combination with other funds that might be required to offer a NECA Education course.
- **Diversity.** The selection committee will work toward making the group of award recipients as diverse as possible, considering such factors as geography and industry sector.

For consideration, all applications must be completed in full.

Applications should be sent to:

**ELECTRI International
1201 Pennsylvania Ave. NW
Suite 1200
Washington, DC 20004**
