Join Us for an Exclusive Office Tour on January 16th!

We are thrilled to invite you to an exclusive office tour, where you'll have the opportunity to explore our state-of-the-art facilities and learn more about our innovative services and partnerships. This event promises to be an informative and engaging experience.

**Transportation Provided:** To make your visit as convenient as possible, we will be providing transportation to and from our office location. Our designated pick-up and drop-off points will be communicated to you closer to the event date.

### Highlights of the Office Tour:

- **Client Service Center (CSC) for Service and Maintenance:** Discover how our dedicated Client Service Center ensures top-notch service and maintenance for our clients, and learn about our commitment to excellence in customer support.
- **Integration into Smart Building Technology and Monitoring:** Gain insights into our cutting-edge smart building technology and monitoring systems, which enable us to provide efficient and sustainable solutions.
- **What We Have Learned from BIM/Prefab/VDC (The Data):** Explore the data-driven approach we take to Building Information Modeling (BIM), Prefabrication, and Virtual Design and Construction (VDC) to optimize project outcomes.
- **Tour of the Electric Vehicle Innovation Design Center (EVIDC):** Get an exclusive look at our Electric Vehicle Innovation Design Center, where we're at the forefront of developing advanced solutions for the electric vehicle industry.
- **Partnership Benefits with Miller Electric and Supply Chain:** Learn about our strategic partnerships with industry leaders, Miller Electric and the supply chain, and how these collaborations enhance the value we offer to our clients.

**Refreshments:** During the tour, we will be serving delicious hors d'oeuvres and offering a selection of light cocktails to enjoy while you network and explore our facilities.

Please let us know if you have any dietary preferences or special requirements for transportation. We look forward to hosting you for this exciting event.

Should you have any questions or need further information, please feel free to email Laura Holmes at [Laura.Holmes@electri.org](mailto:Laura.Holmes@electri.org).
